◆◆ Meeting Reminder◆◆

Chapter X meets the last Sunday of each month at 12:30pm at Hocking College Davidson Hall. The address is 3301 Hocking Parkway Nelsonville, OH 45764

From John Meese, Chapter Director:

Notes from your CD:

Riding season is in full swing and if you are not attending the dinner rides, or missed the SE Section Picnic at Lake Hope, you're missing some great times. Along with our planned rides, we also have the upcoming State and Region Rallies. Please support these events so they may remain at the level they have been in past years.

PA Trip:

I will pre-run the PA trip after the Washboard Festival. At the current time it looks like 5 bikes total. I will reserve a block of rooms and notify the riders who have expressed an interest of all the details.

July Dinner Ride:

The July dinner ride will be to the Wild Horse in Pomeroy. Leave the Plains McDonalds at 4:30 PM.

New Rider

In July, the chapter should look for the new rider! Jane has her permit and will take the BRC the last weekend of June. Go Girl!

Help -- We checked out the Iron Furnace site at Lake Hope State Park preparing for the PHOTO SHOOT in August. It is a swamp and we will not be able to get bikes and the furnace in the PHOTO. We need suggestions for a SCENIC site for bike and rider photos.

From John Switzer, Assistant Chapter Director

For those who attended the section picnic you know what a great time we had. For those who missed it you missed a great time. Special THANK YOU goes to Mike and Kelly for arranging this event. We got to see a lot of old friends and meet new ones.

Karen and Harvey Jones from Athens attended our meeting, before the picnic, and joined us on our dinner ride to Miller's in Newark. John Meese took us on a great ride through the country on the way to Newark.

On Sunday Shirley and I attended the car show at Lancaster Fair Grounds, and met Dave and Esther. After the car show we rode about 150 miles to Zanesville for lunch. Yes we went the long way there and back. It was to nice of a day to go home and mow grass or sit in the shade.

Buckeye Rally is this weekend we hope to see many of you there. John Frank and his crew have worked hard to get vendors and arrange events and entertainment, so let's go and have fun. There is always plenty to do at the Ohio Rally, and the only thing needed to have a great time is to participate.

Don't forget about your chapter shirts. The shirts are prepaid so all you need to do is get your size and order them. You can order shirts and try them on before they are lettered if you wish, so we should have no problems with sizes being wrong. The dead line is August 31 for getting shirts. Everyone who is an active chapter member is included on the list. Also you may order as many shirts as you like as long as you pay for the additional shirts. The price for additional shirts is \$23.

We hope to see everyone at our upcoming chapter events. Don't forget the parade at the WASHBOARD FESTIVAL on June 20. Parking is reserved for bikes at the washboard factory, so come early and enjoy the festival ' then we can all ride to the fairgrounds together to line up for the parade. We will leave the factory at about 4:00. See you there. John and Shirley
